Camden, New Jersey 08104

Dear Mayor Redd and Mr. Kricun:

The New Jersey Green Community Achievement Awards recognize individuals or groups whose outstanding efforts have greatly contributed to the field of urban and community forestry. Outstanding work, whether public or private is eligible for the awards program. These awards are cosponsored by the New Jersey Forest Service, New Jersey Community Forestry Council, and the New Jersey Tree Foundation.

I am delighted to inform you that from a submitted nomination, Camden SMART (Stormwater Management and Resource Training) Initiative has been selected as a recipient for the **2011 Green Community Achievement Award, Civic Association** category. This award is for Camden Smart's work to build a comprehensive network of green infrastructure programs and projects for a greener Camden.

This award will be presented at the annual New Jersey Shade Tree Federation meeting on Saturday evening, October 22, 2011 at the Crowne Plaza Philadelphia Cherry Hill Hotel, Cherry Hill, NJ. The award presentation will occur during the awards banquet, which starts at 6:00 PM.

I hope you will make plans to be present that evening. As an award recipient, dinner will be provided to you both plus your guests. I hope that the entire Camden Smart team can be present to receive the award. I have enclosed the meeting brochure that includes directions to the banquet.

Once again, congratulations! Please let me know if you plan on attending. I look forward to seeing you on the 22nd of October.

Should you have any questions, please call me at (609) 292-2532.

Sincerely,

Michael V. D'Errico
